Parks & Recreation star Nick Offerman revealed some details about his latest venture yesterday (Jan. 26), and while it won't be appearing on television any time soon, it sounds totally awesome. The actor and writer has signed on to star in The Bird and the Book, a podcast he'll host in the vein of Comedy Bang! Bang!. The show will be set in the future, with Offerman having to

"commandeer an U.S. military robot." He'll be joined by two other actors, Blake Griffin and Ice-T. Offerman expressed enthusiasm about his new podcast in a blog for his Dodgeball days:

"I am excited to make this announcement because I think we've assembled a great group of folks to do this podcast. The lineup of Nick Offerman, Blake Griffin and Ice-T, combined with a lot of irreverence and a willingness to hit on everything is

a formula I think will work. I'm looking forward to working with you on this and doing something different than anything else I've been involved in, at least as far as a podcast goes." But he also kept a bit of a poker face when asked
