- The East of Altana The ancient lands of Elden were forged by the brothers, Aldia and Altea. Those great lands and their deep magic power reflected the will of the gods. Aldia, who reigned for a long time, sacrificed all he had to maintain the harmony of the lands. The Elden Myth, the immortal stories of the gods, are told in terms of nobility and blood.
- The Lands Between Beneath the lands of Elden, a fearsome Underworld whose danger has become one of the greatest threats to the balance of the world. A dark history of sinister lies and intrigues of the aristocracy has brought the sons of Aldia to this land. In the Lands Between, an unknown, strong will is growing. The Elden Ring unites the magic users and the common folk to protect the peaceful lives of their ancestors, and to keep the Elden Ring hidden and unchallenged.
- Multiverse: The Elden Ring VS Dark Legion A multiverse is born. The ruler of the multiverse is the "The Elden King"....
- A New Graphics Engine Welcome to a visual world. With a new graphics engine combined with artful in-game photography, the Lands Between is brought to life.

Victorino ready for take-on role Justin Upton had been blasting leadoff, and Friday had been Manny Ramirez’s turn, but Victorino said he wasn’t thinking anything like that. Was he thinking of anything? “Anything you want,” he said. Victorino has played so little, the leadoff spot is foreign to him. “I can’t say I’m too nervous because I’ve never been that way before,” he said. “But I think I’ll have some butterflies. I’ve never been in that kind of a spot. I think it will be a challenge and a lot of fun.” He was an All-Star in 2009, when Ramirez hit the cover off the ball. In 2010, Ramirez’s season was limited by calf and hamstring injuries and his status is uncertain for the start of the season. Victorino can’t wait to hit with Ramirez. “I’m excited to be with the guys I’m going to have to work with. That’s going to be fun,” he said. “It’s something to look forward to.”

Suitcase in tow Dusty Baker said he expects Edgar Renteria to play second base for the Cubs with a suitcase in his locker. Renteria, who will be called up from the minor leagues after the All-Star break, has played second, shortstop and third in his career.
